# 2020-2021 Impact Report: CommUNITY Schools

## Purpose of NNH CommUNITY Schools

The purpose of Northside Neighborhood House CommUNITY Schools is to serve as a resource hub that empowers, equips, and engages the community in a way that advocates for equity by promoting the education, well-being, and independence of all students, families and individuals in the school footprint.

# CommUNITY School Event Sponsorships

## Summer Transition Camps

The transition to starting middle school and high school are both critical stages for our youth. CS Coordinators work with school teams to run programming to welcome rising 6th and 9th graders to their new schools and a Class of 20XX shirt is always a must!

Sponsor benefits: Company logo on the back of the shirts

Cost: \$2000 | Number Available: 5

## Homework Dinners

Ensuring that parents are engaged in their student's learning helps each student to be more successful. Connecting parents to teachers and the school around a meal also promotes a stronger school community.

Sponsor benefits: Company logo on invitation; recognition at event, and opportunity to welcome students/families

Cost: \$1500 | Number Available: 30

## College Field Trips

College field trips provide the opportunity for high school students to explore different campuses and create goals for their future.

Sponsor benefits: Recognition in our e-newsletter; recognition in press releases

Cost: \$5000 | Number Available: 4

# CommUNITY School Event Sponsorships

## Workforce Development Field Trips

Exposure to different industries and careers is imperative as our high school students begin making plans for their adult life. The ability to visit different work places opens doors for students to connect to future employers and build their own vision for their future.

Sponsor benefits: Recognition in our e-newsletter; recognition in press releases

Cost: \$1500 | Number Available: 2

## Community Forums and Outreach Events

Building community is core to the CommUNITY School model. Whether it's a community resource fair, family fun night or large scale outreach event, NNH works to connect opportunities to students, families and community members.

Sponsor benefits: Company logo on invitation; recognition at event, and opportunity to welcome students/families

Cost: \$1000 | Number Available: 10

## CommUNITY School Success Story:

When COVID restrictions began to ease in Spring 2021, we hosted inaugural Homework Dinners at Hixson Middle School and Sale Creek Middle/School. After enjoying dinner together, teachers provided academic support while parents participated in workshops focused on supporting their students at home. Over 200 parents and students participated in these events.

# CommUNITY School Resource Sponsorships

## Care Closet

Several students come to school with basic needs not being met. Providing a space for access to school dress code approved clothing/uniforms, personal hygiene items and food is a must to ensure our students are equipped to be successful.

Sponsor benefits: Company logo posted in Care Closet area; photo opportunity

Cost: \$2500 | Number Available: 5

## Teacher Care Corner

Teachers continue to face students with more needs, both academically and socio-emotionally. Providing them a safe space within the school walls to unwind and recharge during breaks is a gift!

Sponsor benefits: Company logo posted in Care closet area; photo opportunity

Cost: \$1000 | Number Available: 5

## CommUNITY School Success Story:

A family of six in the Hixson community lost everything in a house fire in 2021. Our CommUNITY School (CS) Coordinator immediately got involved. She connected the family to both the CS program and to NNH Stability programs. The NNH has been able to walk alongside this family by providing food, school supplies, clothes through the NNH Thrift Stores, Christmas gifts, gas cards, and housing assistance. Our Coordinator built a relationship with the family and helped them feel supported as they took their next steps.

# CommUNITY School Incentive Sponsorships

## Student Incentives

Students involved in small groups focused on academics, socio-emotional supports or building leadership capacity happen throughout the school year. As these students reach personal milestones, incentives help to celebrate their successes.

Sponsor benefits: Recognition in NNH newsletter; company signage within school; benefits vary by school

Cost: \$1000 | Number Available: 5

## Teacher Appreciation Week

Teachers are truly the schools' MVPs day in and out. During Teacher Appreciation Week we provide snacks, breakfasts and/or lunches for our teachers. We also work with the school administration to do other fun activities during this week.

Sponsor benefits: Signage in stationary areas; recognition in NNH newsletter

Cost: \$500 | Number Available: 5

## CommUNITY School Success Story:

One of our CS Coordinators asked a teacher how she was doing. Immediately the teacher began talking about her students when she suddenly stopped and said, "Wait, were you asking how I was doing? Nobody ever asks how I am doing." The teacher shared about their concerns regarding family and health. It has been a gift to be present for teachers who are giving so much of themselves.
