CommUNITY School Champions

As a CommUNITY School Champion, you are showing your commitment to a brighter future for students in Hamilton County. Through the Northside Neighborhood House's CommUNITY School program, in collaboration with Hamilton County School's Community Forward movement, students have the opportunity to expand their knowledge and make connections that position them to thrive. By leveraging the school as a central resource for building a stronger community, our NNH CommUNITY School Coordinators are able to connect students, families, and the school to community partners looking to make an impact. We invite you to join the movement!
