## Impacting Our Community, Supporting Our Neighbors

Our 2022-2023 fiscal year saw continued growth for the Northside Neighborhood House. Through relationships forged, we have been able to help more neighbors and make a lasting impact in our community. This is only made possible because of the generous support of our donors, volunteers, customers, and community partners. Thank you for investing in our work.

We are pleased to share our latest **Impact Report**, where you will find stories of individuals and families who have been touched by strong relationships forged between our staff, volunteers, and neighbors. As you flip through the pages of this **Impact Report**, I invite you to reflect on the value and importance of your own relationships and the impact those relationships have had on your life.

Warm Regards,

**Rachel Gammon, CEO**

## Northside Neighborhood House Welcomes New Board *Cynthia Reagan named Board Chair*

The Northside Neighborhood House recently inducted its newly appointed board of directors and board leadership. Under the leadership of Cynthia Reagan, serving as Board President, the agency welcomes five new members:

- Kristin Copeland, EPB
- Chad Goodman, HHM Certified Public Accountants
- Victoria Love, Victoria Love Creative
- Katie Penny, Food City
- Amy Stone, Acumen Wealth Advisors

"We are excited to welcome our new board members and know that they are ready to make an impact for our neighbors," said Rachel Gammon, CEO.

"Under Cynthia's leadership, I anticipate our programming and support of our neighbors to continue to grow." Reagan replaces David Barrett, First Horizon, who served as board chair for two and a half years. During his tenure, NNH expanded its programming to add new staff positions, as well as open five additional CommUNITY School locations for the 23-24 school year.

Reagan, who is the Director of Operations with MediaOne Digital, sees building social capital as a critical component of ending generational poverty. "NNH passionately looks for ways to offer a hand up to our neighbors," she said. "Partnering with our neighbors to strengthen our community is work I will support all day long."

Outgoing board members include Linda Andreae, Kesley Gaines, Linda Rath, Cameron Russell, and Steve Wilson.

## Stability Spotlight

A neighbor recently turned to the Northside Neighborhood House for assistance after she and her adult son were faced with increased rent following the sale of their rental unit. The rent nearly tripled, making the monthly expense too much for their budget. While they were fortunate to find a new location at a more affordable rate, the move exhausted their income and savings. After paying their deposit, they were not able to pay their first month's rent. NNH was able to assist, ensuring they remained housed.

The successes about which you read within our Stability Stories are because of our annual campaign, the Good Neighbor Fund.

As the Northside Neighborhood House marches towards its 100th year, we thought it would be fun to share some of our moments in history.

The Seventies brought changes to the NNH. While we continued to serve the community with the distribution of food and clothing for families in need, we saw growth in programming as we partnered with other community organizations. The Chattanooga Girls Club

became one of our greatest partners as we collaborated to expand

programming for young girls to five days a week. We also saw the retirement of Mrs. Longgley as executive director, after more than 51 years of service. The board moved to change NNH's name to the Rose S. Longgley Neighborhood House to honor her service.

If you have been involved with the NNH as a volunteer, a donor, or someone who has participated in our programming, we want to invite you to share your experience. As we move toward our 100th Celebration, we dream of sharing more stories of impact with you and our neighbors.
